

NO SMOKING POLICY

Bowls SA Premises

Bowls SA recognises that tobacco smoke can be irritating and offensive and there is now a considerable body of evidence which indicates that passive smoking is hazardous to health.

The Board of Bowls SA acknowledges that it has a duty of care to protect staff, volunteers and visitors to Bowls SA from the harmful effects of inhaling tobacco smoke and as a result the following No Smoking Policy has been developed:

- Smoking is prohibited in Bowls SA premises.
- Bowls SA staff members and volunteers acting for Bowls SA are not permitted to smoke in the presence of a member of the public while on official duty.
