## Introduction

These Conditions of Play apply to the conduct of 2023-24 Club Super Challenge (BLBA).

The Bowls SA Club Super Challenge operates in line with:

- The 'Laws of the Sport of Bowls' (Crystal Mark 4th Edition) April 2023, unless otherwise stipulated in the conditions of play.
- Bowls Australia (BA) Policies (as found on the BA website) unless otherwise stipulated in the conditions of play.
- Bowls SA Constitution and Policies (as found on the Bowls SA website).
- Bowls SA, Barossa and Light Bowling Association and the Competition Manager reserves the right to vary these Conditions of Play as necessary for the successful conduct of the events.
- Bowls SA understands that sporting events have situations arise that sometimes are not clearly defined with outcomes in Conditions of Play. Bowls SA has taken all reasonable steps to mitigate this. If a situation arises that is not covered by the laws or these Conditions of Play, players and officials must use their common sense and a spirit of fair play to decide the appropriate course of action. (Laws of the sport, page 8 version 4).

The Conditions of Play are reviewed annually.

Roles Responsible for the implementation and upholding the integrity of the Conditions;

- Bowls SA Club Super Challenge Competition Manager (volunteer)
- Barossa and Light Bowling Association
- Bowls SA Staff

The Bowls SA Club Super Challenge Competition for the Barossa and Light Bowls Association has three main objectives for its reason of operating;

1. Increase participation in lawn bowls in the association.
2. Increase club revenue through a new stream.
3. Create an opportunity for bowls to be played competitively and socially in a different timeslot and under different conditions than typical pennants is played.

The competition originated in the Adelaide metropolitan area with 9 teams involved. It has since grown to 40 teams across 3 divisions and 4 competitions. The 23/24 BLBA Club Super Challenge shall be one division piloting the program in its inception. In season 24/25 the program hopes to increase this to two or more divisions and with the option of prize money to follow.

This competition operates slightly outside the laws of the sport of bowls. However, due to the nature of the competition (social, inclusive, and participatory) Bowls SA allows such conditions where it directly benefits the competition and compliments the nature of which it is competed.
